Student Declaration

Student name: Nsabimana Irene

Registration number: 25/27790

Verification code: AI-A2-7790

Course: SWE 3513 Artificial Intelligence

Assignment: Individual Assignment 2 ? Musanze Harvest Intelligence Service

I declare that I am responsible for this assignment submission and that I will review and explain the submitted implementation and results. I will identify assistance received, including AI assistance, in accordance with the disclosure included with this submission and the institution's rules.

I understand that the dataset is synthetic and that model outputs are educational decision-support results, not validated real-world farming advice.

I have reviewed this declaration and will sign it only when its statements accurately reflect my work and the applicable academic requirements.
